

Phipps CDC Educational Technology

can connect you to:

- New Job Skills
- Employment Opportunities
- Educational Goals
- Information and Services
- Special Interests
- And More!

Our goal is to enrich the learning experiences of our clients and students by introducing them to technology to ensure they are able to participate in everyday aspects of life, with 21st century skills.

Our students develop skills that make them competitive, marketable, and active participants in the global economy, whether using the computer or technology at home, school, or work.

Computers, the Internet, and technology have become central to educational and career development, and are important tools for success in today's academic and professional environments. Phipps

CDC Educational Technology brings **free** computer and technology training to Bronx residents to assist learning and increase opportunities for improving language and literacy, building job skills, and expanding career options.

Microsoft Office Classes

The Educational Technology program at the Phipps Opportunity Center features fully equipped computer facilities, professional training staff, and a wide range of classes for beginners to more experienced users.

Classes are held in PC labs equipped with high-speed Internet and printers.

Professional Instructors

We offer classes for beginners and for those already familiar with computers who want to improve their skills or learn new applications.

Scheduled Classes

- Computer Basics
- Microsoft Office Business Applications
- Internet Access & Training
- Word Processing & Keyboard Training
- E-mail Training: Google and Hotmail
- New Media & Basic Web Design
- Computers for Job Search
- How to Pay Bills Online

All computer classes are FREE.
Advance registration is recommended.

Public Computers

No computer or Internet access at home or school? We offer free computer time to search for jobs, do school work, or take online courses.

Open Lab

Call ahead or check at front desk for **open lab** opportunities.

Public Workstations

Mon—Fri 10am—5pm

Registration

Classes are offered in the afternoon on Mondays and Wednesdays, from 3pm—4:30pm.

Sign up for our monthly mailing list or just call to register for a class.
